BLACK HISTORY MONTH

ROBINSON SPIRIT WEEK

These colors pay homage to the rich tradition and craft of quilting in the Black community and celebrates the colors of the Pan-African flag.

- Red - Blood that unites people of the African diaspora and was shed for their liberation
- Black - for the people whose existence as a nation, though not a nation-state, is affirmed by the existence of the flag.
- Green- the abundant and vibrant natural wealth of Africa, the Motherland.
